

APPLICATION for WATER/SEWER SERVICE

This is an Application dated _____ by _____ hereinafter-called "Customer" to received water/sewer service from Grand Lake Public Works Authority hereinafter called the "Authority" who is the Owner and Operator of a water system serving Monkey Island, Delaware County, Oklahoma. The Customer owns property generally described as follows: _____.

1. The Customer agrees to pay a Water Tap Fee and Meter Set Charge as determined by the Authority, for which the Authority will set a meter on the Customer's property at a reasonable location, and extend the water main to the Customer's property if necessary. Extensions and meters paid for by the Customer remain the property of the Authority.
2. The Customer will provide a suitable service line from the meter to the house; such service line will have a shut-off valve at the house for the Customer's use.
3. ***RATES: The Customer agrees to pay the monthly water/sewer bill at rates currently in force and as may be modified from time to time. Such rates include penalties for late payment, shut-off and reconnect fees, etc. Note - Monthly Minimum fees are billed in advance and monthly fees start as soon as water/sewer service are available, i.e.: when meter is installed.***
4. Water supplied under this Agreement shall be for the sole use of the undersigned and shall not be extended to other properties for the purpose of sharing, reselling or transferring to any other consumer.
5. Customer agrees that no physical connection will be made between any private water system and the Authority system.
6. If the Customer does not connect to sewer service before water service is initiated to a new residence or business, the Customer shall provide to the Authority proof of Oklahoma State Department of Environmental Quality approval of the Waste Disposal System serving the Customer's property. (please check one)

___ connecting to GLPWA Sewer System

___ installed a DEQ Approved Septic System-paperwork included

7. The Customer hereby grants to the Authority, its successors and assigns, all those rights to go upon any portion of the Customer's property at any time to install, repair, alter, change or maintain any utility or facility necessary to the operation thereof. The Customer will provide a broad easement to the Authority for purposes listed above.
8. The Customer agrees to abide by the Authority's rules currently in force or as amended from time to time.
9. The Authority agrees to provide water suitable for drinking, of quantity and quality, to meet Oklahoma Department of Environmental Quality requirements.
